BUDGET, ASSESSMENTS, AND SUBDIVISION LIEN

t. Creation of the Subdivision Lien. Each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay (i) to the Association: (1) regular assessments and charges

(including, without limitation, assessments for the improvement, betterment, upkeep, maintenance, repair and replacement of Common Area, Master Common Area [if delegated by the Master Association], and improvements therein) ("Assessments"), and (2) special assessments ("Special Assessments") for capital improvements, such assessments to be established and collected as hereinafter provided, and (ii) to the Master Association: (1) regular master assessments and charges (including, without limitation, master assessments for the improvement, betterment, upkeep, maintenance, repair and replacement of Master Common Area, and improvements therein ("Master Assessments")), and (2) master special assessments ("Master Special Assessments") for capital improvements, such Master Assessments and Master Special Assessments to be established and collected as provided in the Master Declaration.

The Assessments, Special Assessments, Master Assessments, and Master Special Assessment together with interest, costs, and attorneys' fees, shall be a charge on each Lot and improvements thereon and shall be, upon levying of the same by the Association and/or Master Association, as the case may be, a continuing lien upon the Lot against which the Assessment, Special Assessment, Master Assessment, and Master Special Assessment is made. Each such Assessment, Special Assessment, Master Assessment, or Master Special Assessment together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the same became due. Notwithstanding the foregoing, no Assessments, Special Assessments, Master Assessments, or Master Special Assessments shall be charged against Lots owned by Declarant and Declarant shall have no obligation to pay Assessments, Special Assessments, Master Assessments, or Master Special Assessments relating to Lots owned by Declarant at any time.

2. Purpose of Assessment. The Assessments levied by the Association and Master Association shall be used exclusively to promote the health, safety, and welfare of the residents of the Subdivision, for the improvement, betterment, maintenance, upkeep, repair and replacement of the Subdivision, the Master Common Area, and Common Areas, any recreational facilities constructed by Declarant or the Association for use by the Owners and otherwise to fulfill and perform the rights, duties, obligations and functions pursuant to this Declaration.

3. Establishment of Budget and Assessments.

A. Unless the Directors otherwise decide, the fiscal year of the Association shall be a calendar year. On or before the end of each Assessment Year, the Directors shall cause to be prepared an estimated annual budget for the next Assessment Year. Such budget shall take into account the estimated expenses and cash requirements for the Assessment Year, including, without limitation, salaries, wages, payroll taxes, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, water and other common utilities, management fees, expenses associated with Common Areas and other common

expenses (as distinguished from individual mortgage payments, real estate taxes and individual telephone, electricity, gas, and other individual utility expenses billed or charged to the separate Owners on an individual or separate basis rather than a common basis) and, if the Master Board elects (in its sole discretion) for the Association to levy and collect the Master Assessments and/or Master Special Assessments the amount determined by the Board of Directors of the Master Association to be necessary for any expenses associated with or necessary or desirable for the operation of the Master Association (including, without limitation, any of the foregoing types of expenses) and the maintenance, betterment, upkeep, improvement, repair or replacement of the Master Common Area and any improvements located therein. The annual budget may provide for a reserve for contingencies for the Assessment Year and a reserve for replacements, in reasonable amounts as determined by the Directors. To the extent that the Assessments and other cash income collected from the Owners during the preceding years shall have been more or less than the actual expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account.

8. Until commencement of the first Assessment Year after Declarant has transferred control of the Subdivision pursuant to Article II, Section 1 hereof, the Owners of each Lot shall pay, on or before the 1st day of each Assessment Year, as such Lot's respective annual Assessment, such Lot's share of the estimated annual budget for each Assessment Year as estimated and determined by the Declarant and approved by the Directors.

C. Upon commencement of the first Assessment Year after Declarant has transferred control of the Subdivision pursuant to Article II, Section 1 hereof, the Directors shall prepare the annual Budget and shall fix the Assessment, provided that the Assessment may be increased by more than five percent (5%) in any given Assessment Year only by approval by Owners having at least two-thirds (2/3) of a quorum of the votes in the Association at an Association meeting and by a vote in accordance with the voting procedures set forth herein. Copies of the estimated annual budget shall be furnished by the Directors to the Owners not later than thirty (30) days prior to the beginning of such Assessment Year. Any institutional holder of a first mortgage or first deed of trust on any Lot shall receive at no cost, if it so requests in writing, said statement from the Directors. On or before the first day of each succeeding Assessment Year, and without further notice, the Owners of each Lot shall pay, as the respective annual Assessment for such Lot, such Lot's share of the expenses for such Assessment Year as shown by the annual budget. In the event that the Directors shall not approve an estimated annual budget or shall fail to determine new Assessments for any Assessment Year, or shall be delayed in doing so, the Owners shall continue to pay each year the annual Assessment as last determined. All Owners shall pay the annual Assessments to the managing agent or as may be otherwise directed by the Directors.

D. The Directors shall cause to be kept a separate account for each Lot showing the respective Assessments charged to and paid by the Owners of such Lot, and the status of such account from time to time. Upon ten (10) days written notice to the Directors, and the payment of a reasonable fee therefor, any Owner or holder of a first mortgage or first deed of trust on any Lot shall be furnished a statement of the respective account for such Lot setting forth the amount of any unpaid Assessments that may be due and owing.

E. In the event that during the course of any Assessment Year, it shall appear to the Directors that the monthly Assessments, determined in accordance with the estimated annual budget for such Assessment Year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such Assessment Year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year. Copies of such supplemental budget shall be made available to each Owner and, notwithstanding any provision hereof to the contrary, any additional Assessment necessary to cover such deficiency shall be levied in a fair and equitable manner within the sole discretion of the Directors.

4. Special Assessments for Capital Improvements. In addition to the Assessments authorized above, the Association may levy, in any Assessment Year, a Special Assessment applicable to that Assessment Year only, for the purpose of defraying in whole or in part, the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas during that year including fixtures and personal property related thereto, provided that Special Assessments shall be approved by a vote of Owners having at least two-thirds (2/3) of a quorum of the votes of the Association at a meeting at which a quorum is present.

5. Uniform Rate. Assessments and Special Assessments must be fixed at a uniform rate for all Lots within the Subdivision, provided, however, the Board may, in the Board's discretion, set different rates for Assessments and Special Assessments with respect to the maintenance, repair, or replacement of items that are nonuniform in size, such as patios or decks.

6. Commencement of Annual Assessments. Each Owner shall pay his first annual Assessment upon the closing of the purchase of his Lot, adjusted according to the number of months remaining in the Assessment Year. Thereafter, annual Assessments shall be paid as provided herein. In addition to the foregoing, each Owner purchasing a Lot from the Declarant shall pay an initial set-up fee to be deposited with the Association which shall be in such amount as the Declarant shall determine but which shall be uniform for all Lot Owners.

7. Non-payment of Assessments. Any Assessment, Special Assessment, Master Assessment, or Master Special Assessment not paid within thirty (30) days after the date levied shall bear interest from the date levied at the lesser of (i) the rate of ten percent (10%) per annum, or (ii) the maximum rate per annum allowed by law. The

Association, its Directors, the Master Association, and its Directors shall have the authority to exercise and enforce any and all rights and remedies as provided in this Declaration or the Master Declaration, as applicable, or as otherwise available at law or in equity, including, but not limited to, the right to foreclose the lien against the defaulting Owner's Lot in like manner as a mortgage on real estate or a power of sale under Chapter 443, RS.Mo. In addition to the foregoing, any Owner's voting rights and the right of such Owner, his family, guests and invitees to use the improvements and recreational facilities in the Master Common Areas and Common Areas shall be automatically suspended for any period during which any assessment against such Owner's Lot remains unpaid after the date the same is due. No Owner may waive or otherwise escape liability for the Assessments, Special Assessments, Master Assessment, and Master Special Assessment established herein by non-use or abandonment of such Owner's Lot, Master Common Area, or the Common Area. Notwithstanding that the Master Association may elect, in its sole discretion, to cause the Association to bear the expense and risk of collecting Master Assessments and Master Special Assessments, the Master Association may, at its sole option, elect to enforce any rights or remedies provided to the Association in this Declaration, the Master Association in the Master Declaration, or at law or in equity to collect unpaid assessments levied by or on behalf of the Master Association against any Owner who is delinquent or against the Association itself, including, but not limited to, the right to foreclose the lien against the defaulting Owner's Lot or the Common Area in like manner as a mortgage on real estate or a power of sale under Chapter 443, RS.Mo.

8. Unexpended Assessments and Special Assessments. All funds paid from time to time by Owners for Assessments and Special Assessments, from time to time on hand and unexpended shall be deemed to be owned equally and in common by the Owners.

9. Subordination of the Lien to Mortgages. The liens of the Assessments, Special Assessments, Master Assessments, or Master Special Assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust encumbering the Lot. Sale or transfer of any Lot shall not affect the liens for Assessments, Special Assessments, Master Assessments, or Master Special Assessments; however, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such Assessments, Special Assessments, Master Assessments, or Master Special Assessments as to payments which became due prior to such sale or transfer but shall not relieve the Owner of such Lot at the time of the levying of such Assessment, Special Assessment, Master Assessment, or Master Special Assessment, as the case may be, of personal liability therefor. No sale or transfer shall relieve such Lot from liability for any Assessments, Special Assessments, Master Assessments, or Master Special Assessments thereafter becoming due or from the lien thereof.

ARTICLE VII

COVENANTS AND RESTRICTIONS

1. Creation of General Covenants and Restrictions. Each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to the following terms, provisions, covenants and restrictions which run with the land and are perpetual and appurtenant to the Lots:

(a) No Lot shall be used for any business or commercial purpose, and each Lot shall be used solely for residential purposes except (i) for use pursuant to home occupations not in violation of any zoning ordinances affecting the Subdivision, and (ii) Lots or portions of Lots may be used by Declarant for temporary offices, display or model homes and/or entrance monuments, provided however, that in no event shall any Lot be conveyed or transferred in any manner to a civic, religious, charitable or fraternal organization, or any person or persons other than for the exclusive use of an individual family.

(b) No building or garage shall be located closer than the permitted setback requirements established by the zoning and subdivision regulations applicable for the Subdivision within which the building or garage is located.

(c) Except as otherwise provided herein, each Owner shall maintain his Lot and Dwelling in compliance with all applicable zoning ordinances and subdivision regulations of the City within which the Subdivision is located. To the extent that the City or any other governmental authority shall require permits for the erection of any improvements upon a Lot, including, without limitation, fences, decks or other structures or improvements, the Owner of such Lot shall be responsible for obtaining the same.

(d) Subject to any applicable municipal ordinances or regulations of the City with respect to any Lot lying therein, no Owner, except Declarant with respect to Lots owned by Declarant, shall cause any construction on a Lot without first submitting the plans and specifications for such construction to the Directors and obtaining approval for such construction from two-thirds (2/3) of the Directors. In the event the Directors fail to approve or disapprove the plans and specifications within thirty (30) days after their submission to the Directors, the plans and specifications shall be deemed approved.

(e) The exterior walls of all Dwellings shall be constructed of wood or wood products, clay, brick, rock, stone, or vinyl siding, in an attractive manner and of good workmanship, provided however, that if the exterior walls of any Dwelling are constructed of wood or wood products, the same shall be painted or stained.

(f) No Dwelling, Lot or any portion thereof shall be used for any noxious or offensive activity nor for any purpose prohibited by law or ordinance or which may become an annoyance or nuisance, in the judgment of the Directors, to other Owners or inhabitants of Lots.

(g) No trash, rubbish, garbage, trash can or other receptacle therefor, other than those receptacles approved by the Association, shall be placed on any Lot outside of a Dwelling.

(h) No tank, bottle or container of fuel shall be erected, placed or permitted above the surface level of any Lot.

(i) Each Owner shall, as necessary, repair, maintain, replace, or clear at his sole expense each and every gas, sewage, and water lateral line on or servicing only his Dwelling or Lot.

U) No structure of a temporary character, trailer, mobile home, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a temporary or permanent residence.

(k) No signage of any kind shall be displayed to the public view on any Lot, except (i) one sign of not more than five square feet advertising the Lot for sale or rent, (ii) one sign of not more than one square foot warning people of dangerous animals located in the home or on the Lot, and (iii) one sign not exceeding one square foot notifying people of the presence of an alarm or home security system located in the home located on the Lot; provided, however, there shall be no restrictions on the number or type of signage used by Declarant to advertise the Subdivision, Declarant's business, or any other development of Declarant's in St. Charles County.

(l) Each Owner shall maintain his Lot in a neat attractive manner, including without limitation, maintenance of the lawn and shrubbery. No Owner shall permit the lawn upon such Owner's Lot, whether grass, legume or ivy, to grow in excess of six (6) inches in height.

(m) The Board of Directors shall as it, in its sole discretion, deems appropriate, be responsible for and shall undertake the landscaping, shrubbing, planting, sodding, and seeding of all Common Areas. The Board may, by vote of a majority of the Board, establish and set aside such portions of the Common Areas as they shall deem appropriate for the establishment of community gardens, and the Board shall promulgate the rules and conditions under which such community gardens may be used by the Owners. No landscaping, gardening, planting, grading, paving, or change of terrain or any structure shall be undertaken, constructed, erected, performed, done, dug or installed within any of the Common Areas except as specifically provided herein.

(n) The intent of this Section is to control the construction and maintenance of walls and fences so as to provide for that individual security and privacy that may be required, while preserving the openness and natural beauty of the wooded areas, golf courses and lakes which aesthetically enhance the quality of life in The Villages at Dardenne. In accordance with this intent, fences in general that have not received Board approval are not permitted. However, fences which adhere to the following standards set forth in this Section, may be allowed after approved by the Association Board of Directors.

i. Definitions:

1) Fence shall mean a structure, partition, privacy screen, or wall erected at grade as a dividing marker or barrier, for the purpose of enclosing a piece of land, separating contiguous pieces of land, or marking off a piece of land.

2) Grade shall mean the elevation of the natural or finished surface of the ground, whichever is lower. Grade shall not be adjusted for the purpose of circumventing any intent of this Section, including maximum height allowances.

ii. No fence shall be erected without first completing an application for and securing Board approval. Prior to granting approval, the following information must be submitted to the Board for review and approval.

1) Three (3) sets of plans showing the following:

- a) Material
- b) Size
- c) Color
- d) Construction Details

2) Three (3) sets of site plans showing the following:
(1" = 20' scale)

the fence is intended. The type of material and color shall be wood, wrought iron, or PVC, all in colors and style approved by the Board. Chain link, electric, barbed, or ribbon wire or similar wire material of any kind shall not be permitted as an attachment to any fence. The Board may, at its option, choose to limit materials and styles of fencing in the Subdivision to a limited number of styles and materials; each applicant must inquire of the Board regarding any such limitations prior to preparing plans for any fence.

iv. The maximum height for any approved fence shall be six feet (6').

v. Swimming pools:

1) Every outdoor swimming pool shall be completely surrounded by a fence or wall a minimum of four feet (4') in height, which shall be so constructed as not to have openings, holes, or gaps larger than four inches (4") in any dimension. A dwelling house or accessory building may be used as part of such enclosure.

2) This requirement shall be applicable to all new swimming pools, and shall apply to all existing pools which have at any point a depth of eighteen inches (18") or greater of water.

vi. Notwithstanding any provision hereof to the contrary, fencing on any Lots backing up to Henning Road or McCluer Road lying within the City shall be split rail fencing of a uniform appearance. Under no circumstances shall the Owner of any Lot abutting the Golf Course be permitted to place any fence on a Lot except as may enclose a swimming pool as provided above. There shall be no restriction on any fencing that may be placed on the Golf Course itself by the owner thereof.

vii. No fence, wall, hedge or shrub planting higher than three feet (3') above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points thirty feet (30') from the intersection of the street property lines extended. The same sight line limitations shall apply on any Lot within ten feet (10') from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

viii. As noted hereinabove in Article III, no term, provision or restriction in this Declaration, including, without limitation, this subsection (n), shall create any easement of sight or view over any part of the Common Area,

Master Common Area, the Golf Course or any other Lot, the same being expressly disclaimed.

(o) Each Dwelling must include at least a two-car garage, which must be attached to the Dwelling unless otherwise approved by the Directors. No more than one storage building or other outbuilding shall be permitted on any Lot and then only if the exterior material of such storage building or outbuilding coordinates with the exterior of the Dwelling and is approved by the Board of Directors.

(p) No animals, livestock, or poultry of any kind shall be raised, bred or kept on any Lot, except dogs, cats or other household pets which may be kept, provided they are not kept, bred or maintained for any commercial purposes and provided that such household pets do not exceed three (3) in number per Dwelling on any Lot at any one time. Each Owner shall comply with all ordinances, zoning and subdivision regulations of the City within which the applicable Village is located relating to the supervision, control, responsibility and maintenance of animals and/or pets in residential areas.

(q) Vehicles and watercraft, whether motorized, self-propelled, propelled or drawn by human, wind, sail, water, fuel or otherwise, including, but not limited to, boats, vessels, motorboats, sailboats, sailboards, rafts, canoes, kayaks, jet skis, boat trailers, recreational vehicles (RVs), sleds, recreational motor vehicles, trucks or vans containing business identification (unrelated to the manufacturer of such truck or van or retail auto dealership that sold or leased the van or truck) or commercial messages on their exterior, all-terrain vehicles (ATVs), motorcycles, motorized bicycles, motortricycles, dirt bikes, minibikes, tractors, truck-tractors, trailers, campers, and house trailers shall not be parked, placed or stored outside of any Dwelling, provided, this shall not prohibit the parking on the driveway located on the Lot of no more than two (2) passenger automobiles, licensed to the Owner of the Dwelling or a full-time resident thereof that are in operating condition.

(r) No owner, except Declarant, shall alter or change any water course or finished grade without the express, written approval of the Directors.

(s) No firearms, pellet or 8.8. guns shall be discharged in the Subdivision.

(t) Satellite dishes shall not be installed, constructed or maintained on any Lot or on the exterior of any Dwelling or other improvement on any Lot without the prior written approval of the Board of the type, model, size, design, location, landscaping, appearance and other components thereof and related equipment therefor. Any satellite dish approved by the Board shall be installed in accordance with,

and maintained in the condition described in, the plans and specifications approved by the Board therefor. Under no circumstances shall television or radio antennas be permitted on any Lot or the exterior of any Dwelling or other improvement on any Lot.

ARTICLE VIII

EASEMENTS

1. Encroachment Easement. Should any portion of any Dwelling as constructed on any Lot by Declarant overhang or encroach on an adjacent Lot or on any Common Area, the Owner of the overhanging or encroaching Dwelling shall have an easement on such adjacent Lot or Common Area, as the case may be, to permit the overhanging or encroaching portion of such construction to remain in the same state and location as when said Dwelling was first occupied for residential use. Such easement shall be appurtenant to and shall pass with title to the Lot on which said improvements were constructed.

2. Utility and Drainage Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the Plats. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible.

3. Temporary Construction Easement. Until the last Lot is sold and conveyed to an Owner other than the Declarant, the Master Common Area, Common Area, streets, and that portion of each Lot not occupied by a Dwelling shall be subject to an easement allowing the Declarant, its employees, agents, contractors and subcontractors to enter upon and over the Master Common Area, Common Area, streets, and each such Lot for the purpose of grading and construction on such Lot and any adjoining Lots, Common Area and streets.

4. Golf Course Easement and Waiver.

a. Grant of Easement. Every Lot in the Subdivision, all Common Area and Master Common Area are hereby burdened with an irrevocable, permanent easement allowing golf balls hit by any golfers using the Golf Course to come over, across, upon, and through each such Lot, Common Area, and Master Common Area . All golfers using the Golf Course shall have an irrevocable, permanent easement to

enter onto, over, across, upon and through each Lot, Common Area, and Master Common Area in the Subdivision for the purpose of seeking and retrieving such golf balls; provided that golfers shall not have the right to use such easement to play such errant golf shot from any such Lot, Common Area, or Master Common Area. Each Lot, the Common Area and Master Common Area are further burdened with an irrevocable, permanent easement for ingress and egress and drainage in favor of the Golf Course, its owners, managers, and their respective employees, agents and servants, for the purpose of watering, maintaining, draining, working room, and otherwise keeping the Golf Course and the landscaping and improvements thereon in good order and repair.

Notwithstanding any provision of this Declaration to the contrary, each Lot, the Common Area, and Master Common Area abutting the Golf Course are further burdened with a restriction against placing any fence thereon except as may be necessary to enclose a swimming pool as provided hereinabove.

b. Waiver of Liability. The Declarant, the Master Association, the Association, and their respective members (in their capacity as members), and any successor in title to the Golf Course, and any agents, servants, employees, directors, officers, affiliates, representatives, receivers, subsidiaries, successors, and assigns of any such party, shall not in any way be responsible for any claims, damages, losses, demands, liabilities, judgments, costs, expenses (including, without limitation, attorneys' fees and costs of suit), obligations, actions or causes of action whatsoever, including, without limitation, actions based on (i) any invasion of the Owner's or any Association's respective use or enjoyment of the Lot or any Common Area or Master Common Area, (ii) improper design of the Golf Course, (iii) the level of skill of any golfer (regardless of whether such golfer has the permission of the management to use the Golf Course), (iv) trespass by any golfer on any Lot, Common Area, or Master Common Area, or (v) - negligence of the owner or management of the Golf Course, that may result from property damage or personal injury from golf balls (regardless of number) hit on the Lot, Common Area, or Master Common Area or from the exercise by any golfer of the easements granted hereby.

ARTICLE IX

EXTERIOR MAINTENANCE

Each Owner shall be responsible for keeping such Owner's Lot and the exterior of such Owner's Dwelling in good repair and in a clean and tidy condition, including, without limitation, re-painting of the exterior as necessary. In the event an Owner shall fail to maintain such Owner's Lot and Dwelling in a manner satisfactory to the Directors or the Association, upon an affirmative vote of the Directors, the Association shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the Dwelling, including but not limited to the removal of rubbish and debris, and any and all landscaping deemed appropriate

1. by the Directors. The Directors or their agents, contractors, or employees shall not be held liable for any manner of trespass that might arise under this Article. The cost of such maintenance shall be added to and become part of the next Assessment to which such Lot is subject, and, in the event said costs are not paid on or before the date the next Assessment payment is due, the Association shall be entitled to all remedies provided in Article VI, Section 7 for non-payment, including, without limitation, imposition of a lien on said Owner's Lot and foreclosure thereof.

ARTICLE X

GENERAL PROVISIONS

1. Enforcement. The Association, the Directors, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provision of this Declaration. Failure by the Association, the Directors or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any other provisions, which shall remain in full force and effect.

3. Term. The covenants, conditions and restrictions of this Declaration shall run with and bind the Subdivision, for a term of fifty (50) years from the date this Declaration is recorded, after which the said covenants and restrictions shall be automatically extended for successive periods of twenty (20) years each unless an instrument signed by the then Owners having seventy-five percent (75%) of the votes in the Association has been recorded, agreeing to terminate this Declaration as of the end of any such period. No such agreement of termination shall be effective unless made and recorded six (6) months in advance of the effective date of such termination.

4. Amendment. This Declaration may be amended by a majority of a quorum of the Directors at any time prior to the election of the entire Board of Directors by the Association, as provided in Article V, Section 1 of the Declaration. Thereafter, this Declaration may be amended by an instrument signed by Owners having at least seventy percent (70%) of the votes in the Association. Any such amendment shall be valid upon recordation in the Office of the Recorder of Deeds for the County of St. Charles, Missouri.

5. Reservation of Expenditures. Declarant reserves the right to receive any money consideration which may be refunded or allowed on account of any sums previously expended or subsequently provided by it for joint main sewers, sanitary sewers, storm sewers, gas pipes, water pipes, conduits, poles, wires, street lights,

roads, streets, traffic signals, recording fees, subdivision fees, consultation fees, or any fees, charges and expenses incurred with respect to the development and creation of the Subdivision.

6. Release. Declarant may release the Property, or any portion thereof, including, without limitation, any one or more Lots or Common Area, from the provisions of this Declaration, by amending the Declaration, as set forth in Section 4 above, and, if Declarant deems it necessary, recording one or more revised or amended plats.

7. Master Declaration. Each Lot within the Subdivision and each Owner shall be subject to and shall be entitled to the benefits and privileges provided by the Master Declaration.
